

Scooters and Bikes

We are delighted to see children arriving on time at school on scooters and bikes. However, children **MUST** get off their scooter or bike at the school gate and **WALK** with them to the bike shed to be stored.

Please make sure your child follows this rule to keep everyone safe on school property.

Secondary School Applications

Year 6 parents must apply for a secondary school place for your child by 31st October 2023. You can apply online at www.eadmissions.org.uk or using the paper form we sent home previously. Please ask at the office if you need a form.

If you choose Burntwood School or Ashcroft Academy you must also register for the Wandsworth test. The portal will open again in October for you to apply. We will send a letter home as soon as it opens. If you need help please ask at the office.

Football Team

Mr Brennan has been taking our footballers to Dover House playing fields to play in matches against other local schools. The Alton team always try their best and are benefitting from the experience, improving their skills!

Oral Health Workshops

Some of our children learned how to look after their teeth today, with a visiting oral health promoter. The children have been given some toothpaste and a toothbrush to use at home. They learned the importance of brushing their teeth twice a day.

Tooth decay is increasingly affecting children in England, yet it is largely preventable.

By age three, more than one in ten children have decay, and almost a quarter of five-year-olds have decay.

It is well recognised that oral health is essential to general health, wellbeing, attainment and quality of life.

PE and Cricket Lessons

Please send your children to school wearing correct PE kit on these days. House colour PE t-shirts are on sale at the school office for £3 each.

Monday	Year 3, Year 5, Reception
Tuesday	Nursery
Thursday	Year 1, Year 2
Friday	Year 4, Year 6
