

Dear Parents and Carers,

What a busy half term! The children have crammed in so much learning over the last seven weeks with exciting topics, trips and visitors.

I hope you all have a restful half term – there is lots going on in the local community for you to get involved with. I look forward to welcoming you back on Monday 23rd February.

Adult Conduct

We expect our school community to respect our school ethos and set a good example of their own behaviour both in and outside the school premises.

In cases where adult behaviour is considered to be unacceptable, the school will take appropriate measures to safeguard the school community. This may include withdrawing permission to be on the school site and in serious cases, we may contact the police, and the Q1E Trust's Legal Team for further action.

Please help us to ensure our school is a safe and nurturing environment for everyone.

We can support children in Year 5 and Year 6 who wish to fast at school. If you wish your child to fast, or keep a partial fast during the school day, please complete the slip we sent home, and return it to the school office. If your child is fasting, their school meals will be cancelled.

Children may NOT fast at school without parents/carers' permission.

We are pleased to announce that Chestnut House received the most house points this half-term and were the house for our non-uniform day on Friday 13th February! Well done Chestnut House.

Our number one priority is to ensure that all children and adults are safe. If you are worried about something or if you are worried about someone else, you can talk to ANYONE who works for the school. Safeguarding is the responsibility of EVERYONE. Childline: 0800 1111
